

Canvas Cathedral Revival Opens Tomorrow Evening

Beginning tomorrow, 7:30 p.m., the great Canvas Cathedral Revival will open with Evangelist Clifford L. Musgrove, Th. D., who has recently returned from Europe and the Middle East where he conducted great tent and auditorium meetings traveling approximately 60,000 miles. Dr. Musgrove is a former chaplain of the U. S. Army during World War II and served communion to the first American forces to cross the Elbe River in Germany.

His ministry has been phenomenal, witnessing thousands converted to Christianity, hundreds healed in answer to prayer of deliverance, according to Rev. Lowen, pastor of the local Four-square Church which sponsors this meeting.

The Canvas Cathedral Revival meeting is conducted in the big tent on the corner of Arlington and Sepulveda in Torrance every night except Monday at 7:30 o'clock.

Firm To Offer Insurance Against Reckless Driver

Automobile owners in California will be known as "Unsatisfied Judgment Coverage," and is to be added as an endorsement to the company's automobile bodily injury liability policy.

"Up to now," Lund reported, "while California's financial responsibility law takes away the driver's license of a motorist who is not insured or able to pay an accident liability judgment, the injured 'other party' has not been able to insure his financial loss."

for compulsory automobile insurance. Officials of the firm claim.

The new form of insurance—referred to as "two-way coverage"—protects the insured when he is on the "receiving end" of an uncollectable or unsatisfied judgment as well as when he is on the "paying end" of automobile liability damages, according to underwriters for the plan.

The firm said it is offering extended coverage to husband and wife and minor children in the insured's household.
